Electronic Counter YMSLE

The Electronic Counter is integrated with optimal diagnosing and computer technology to achieve multi-channel counters. Accurately counts and fills all shapes of tablets, capsules, caplets, soft capsules and transparent products without change parts.

Features:

- There are no wear parts, free of maintainance.
- Heavy duty stainless steel design with polished welds to prevent dust buildup.
- Rejection system rejects faulty products automatically.
- PLC controls, speed adjustable, no bottle no filling.
- Dust compensator and sensor sensitivity automatically self-adjusts to offset the gradual accumulation of powder on the sensor window.
- Three sets vibrator system that transfers products from hopper to the counting head smoothly, quickly and quietly.
- Other packing machines can be connected to this machine as an integral production line.

Technical Parameters:

- Capacity: 20~100bots/min
- Power supply: 220V 50/60Hz
- Power: 1.2Kw
- Net weight: 400Kg
- Dimension: 1600×1100×1500mm
