

ALA-460 L-Type Automatic Sealing and Packaging Machine

This versatile L-Type sealer supports PE, POF, and other shrink films, ideal for food, electronics, textiles, and consumer goods. High-sensitivity photo sensors ensure precise sealing with automatic vertical/horizontal detection. The smoke-free design keeps the workspace clean, while fully automated high-speed operation meets large-scale production demands. Compact and intuitive, it easily integrates into automated packaging lines.

Description

- Supports various shrink films such as PE and POF
- Smoke-free sealing design for a clean, odorless environment
- High-sensitivity photo sensors with automatic vertical/horizontal detection
- Suitable for sealing products of various sizes and thicknesses
- High-speed continuous sealing for large-scale production

Specification

Model	ALA-460
Size (Length x Width x Height) mm	1900L x 860W x1500H mm
Power Supply	1φ, 220V, Customizable
Package Size	L100-460*W40-320*H5-100mm
Packaging Speed	1-25 pcs/min
Electric Heating	1.5 kw
Sealing Size	450*600mm
