

BS-series Linear Weigher

The linear weigher can be used for almost any, reasonable dry, free flowing product such as rice, lentils, seeds, beans, nuts, sweet confectionery, deep frozen food, small hardware items etc. The modular construction makes cleaning easy and keeps maintenance to a minimum.

Technical Data

Model	BS-2	BS-4S	BS-4B
Number of Bucket	2	4	2
Weighing Range	1000g	100g	1000g
Weighing Speed	25 bags/min	70 bags/min	50 bags/min
Weighing Accuracy	+/-0.5-1g	+/-0.1-1g	+/-0.5-1g
Machine size	1015x645x1147mm	960x640x845mm	1010x960x1207mm
N.W/G.W (Kgs)	150/180	150/180	220/270
