

## JA-100L Screw Measuring Machine

- Hopper can be easily cleaning without tools ;
- Servo motor and servo drive control screw ;
- All stainless steel construction ;
- Equipped with a high degree of adjustment hand wheel, easy to adjust the whole height ;
- Change screw attached, suitable fine powder and micro granule material measure!

### Product Parameters:

#### 技术参数 Technical parameters

型号 Model	JA-100L
料仓容积 Hopper capacity	100L
包装重量 Package weight	5000~25000g
包装精度 Packing accuracy	±0.5%
填充速度 Fill rate	5-10times/min
螺杆直径 Auger Diameter	Φ76~Φ89
电源 Power	三相380V
整机功率 Total power	2.75KW
整机重量 The whole weight	100kg
整机体积 Whole volume	L1000×W650×H1000mm
