

## *Auto Wine Bottle Labeling Machine ZYP-100JH2*

This machine is suitable for pasting single or single full-cover labels on various cylindrical and conical container products.

### **Technical parameter:**

1. Production speed: 1000-3000bottle
2. Diameter of Glass Bottle: 30-100mm
3. Width of label paper: 30-150mm
4. Height of label paper: 30-140mm
5. Label paper weight: 70-110g/m<sup>2</sup>
6. Consumption of compressed air: 13litres/m, press: 4.5bar
7. Adjustment range of label box: W35mm, H25mm
8. Total machine power: 1.2KW 380V/50HZ
9. Weight: 350KG
10. Size: 2.2m\*01m\*1.2m

Application: Beverage, Commodity, Food, Machinery & Hardware, Medical
