- alternative labor, improve production efficiency up to 30%, savings 5-10% supplies, good choice of corporate cost savings, improve productivity and packaging standardization.

Technical parameter

Model	ROY-50C
Production speed	0-20m/min
Max package size	L∞xW500xH500mm
Min package size	L150xW150xH140mm
Voltage	220/380V、 50Hz
Power	240W
Adhesive tape width	W48mm/60mm/75mm
Machine dimension	L1170xW900xH1350
Machine weight	160kg
