

## JA-15LB Screw Measuring Machine

Hopper can be easily cleaning without tools ;

Servo motor and servo drive control screw ;

All stainless steel construction ;

Equipped with a high degree of adjustment hand wheel, easy to adjust the whole height ;

Change screw attached, suitable fine powder and micro granule material measure!

### 技术参数 Technical parameters

型号 Model	JA-15LB
料仓容积 Hopper capacity	15L
包装重量 Package weight	0.5~200g
包装精度 Packing accuracy	±1%
填充速度 Fill rate	30-100次/分钟
螺杆直径 Auger Diameter	Φ12~Φ42
电源 Power	三相380V
整机功率 Total power	1KW
整机重量 The whole weight	30kg
整机体积 Whole volume	L600×W400×H500mm
